

Trademarks and Copyright

Copyright, trademarks and all other intellectual property rights on our websites are either owned or licensed to CellAegis Devices, unless otherwise stated. Compliance with copyright law is your liability.

We would be delighted to see our materials used more widely but no copying or distribution for any commercial or business use is permitted without prior written consent from CellAegis.

Reproduction of CellAegis Devices copyright material on these websites is not allowed without specific written permission. You may link material as long as the copyright and source indications are also copied, the document is not amended in any way, is copied in its entirety and is not reproduced in a derogatory or misleading manner or context.

Our permission to reproduce copyright material does not extend to any material on these websites that are the copyright material of any other person.
